Ruth to Tell Fans Why He Hits Differently

Why is "Babe" Ruth hitting to left field and center field this season and not to right field?

This question is being asked by fans throughout the country. Critics and others have attempted to account for the change in the location of the home run drives. reason.

In the Richmond Times-Dispatch tomorrow morning the champion slugger will give the fans of this city the "Inside dope" on why he is hitting to left and center fields this year.

JOHN MARSHALL LOSES GREEK WRESTLEP TAKES TO FORK UNION OUTFIT MATCH FROM STEFENSK

hibition of Season—Pitchers' Battle Until Eaguth Inning.

Battle Until E-guth Inning.

Fork Union Military Academy triumphed over John Marshall yesterday by the score of 8 to 9. Poor fielding and fallure to hit at critical times was the secret of the Marshall ited downfall, although Stephens, the visitor's pitching ace, was massister of the situation at all times. He was also backed by airtight support just the opposite of that accorded Breneman, who pitched a brand of ball which should win any ball game. Despite the number of errors registered by the locals the game was across and came back in the last frame with four more. The Marshallites had men on third base twice with none down but were unable to bring them in.

The game was featured by the work of both pitchers. Stephens allowed but two hits and Breneman was only touched for eight scattered bingles, four of which were balls which the fielders should have caught. Only two of the Fork Union hatters hit out of the infield, these two balls being misjudged by the outledets. Both twirlers struck out eight men.
